

Saturday Drumming Workshop for Teachers: May 14, 2016 - 10am to 4pm
Hand Drums, Drum Set, Instrument Making, Musical Health

Featuring Dr. Craig Woodson and John Lamb

- Learn how to play simple jazz, rock and Latin patterns on the standard drum set.
- Play hand drums like the djembe and other percussion (all drums are provided).
- Join these two types of drumming--hand drums and the drum set—in drum circles.
- Make a simple drum set that can be used in the classroom.
- Take away the health benefits of playing the drums.
- Use chapters in Dr. Woodson's world drumming teacher's guide, Roots of Rhythm.
- Pay only \$10.00. Scholarships are available. It is free to host Catlin-Gabel teachers.
- A Certificate of Participation is available upon request.

The Roots of Rhythm is sponsored by:
 Percussion Marketing Council (PMC) &
 NAMM Foundation (International Music Products Association)
